Mr. Galen Tritt  
WA Dept. of Ecology NWRO  
3190 160th Avenue SE  
Bellevue, WA 98008-5452

Mr. Tritt:

Enclosed is a Class 1 (not requiring prior Ecology approval) permit modification for the Burlington Environmental Inc. (BE) Pier 91 Facility. Included is the certification statement required by WAC 173-303-810(12) and (13).

As required under WAC 173-303-830(4)(a)(i)(B), BE will notify the "facility mailing list" within 90 days for a Class 1 modification.

If you have any questions or require further information, please contact me at (206) 223-7596.

Sincerely,

John Stiller  
Environmental Compliance Manager

Part B Permit Modification  
PRMOD1-1

As required by WAC 173-303-810(12) and (13), Burlington Environmental Inc. (BE) is providing the following certification statement for the permit modification PRMOD1-1 for the BE Pier 91 Facility submitted to the Washington Department of Ecology on December 2, 1992. If you have any questions regarding this matter, please contact John Stiller at (206) 223-7596.

**CERTIFICATION STATEMENT**

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

## Pier 91 Facility Part B Permit Modification

**Title:** Update of Contingency Plan

**Modification Number:** PRMOD1-1

**Submitted:** 12/2/92

**Summary Description:**

This modification provides updated information regarding changes to the names, addresses, or phone numbers of emergency coordinators or other persons or agencies identified in the plan. Minor changes were also made to reflect the relocation, upgrading, or replacing of emergency equipment with functionally equivalent equipment.

**Modification Class:**

As described in WAC 173-303-830 Appendix I, B.6.d., the appropriate classification for these modifications is a Class 1 not requiring prior Ecology approval.

**Detailed Description:**

The names, addresses, or phone numbers of emergency coordinators and other persons or agencies identified in the plan have been updated to reflect recent changes. Minor changes were made to reflect the relocation, upgrading, or replacing of emergency equipment with functionally equivalent equipment.

**Backup Technical Documents:**

Not applicable.

**List of Affected Sections:**

The following list outlines the text, tables, and figures in the Part B permit and its attachments that will be affected by this modification.

*Permit:*

None

*Permit Attachments:*

**Text**
